The Big Methodist Conference to Be Held in That City.

CLEVELAND, O., July 25.—The committee appointed to decide whether the next Methodist General Conference will be held in Cleveland was in session here to-day. They had only one thing to decide, and that was whether Cleveland could furnish satisfactory guarantees that it would properly care for the great gathering. These were given, and the conference is definitely booked for this city.

SENATORIAL CAUCUS

May Send the Tariff Bill Back to the Conference To-Day.

After a Two Days' Session the Democratic Caucus Adjourns Without a Definite Understanding.

MR. QUAY TAKES A HAND

Proposed Amendment to Recede from the Sugar Schedule.

Senator Caffery Continues His Speech and Warns His Colleagues Not to Slight Louisiana.

WASHINGTON, July 25.—The Senate will accede to the request of the House for another conference on the tariff bill, and its conferees will return to the meeting with those of the House untrammelled by any specific instructions whatever. This was the conclusion of the Democratic senatorial caucus, which adjourned sine die a few minutes after 5 o'clock to-day, after a two days' sitting. While the caucus did not commit itself to any definite line of policy in so many words, the conferees feel, with their Democratic colleagues, that they understand what a majority of them desire, and they believe this to be that they shall stand substantially for the Senate bill. This is not the individual preference of many, nor perhaps of a majority of the Democratic Senators, but it represents the opinion of most of them as expressed in the caucus as to the only practical course open to the Democrats, who think that the present Congress must pass a tariff bill of some kind, whether it be what they prefer or not. In other words, the result of the caucus which has just closed is the ascertaining of what was known when the three days' caucus closed last March—that it is impracticable to pass any tariff bill through the Senate which does not meet the demands of the so-called conservative Senators and the Louisiana Senators.

It became evident soon after the caucus convened to-day that the resolution of Senator Jarvis to send the bill back to conference without instructions was the only course open to the caucus. The other propositions presented were those of Senator Vilas and his friends, one of which provided for instructions to the Senate conferees to recede from the one-eighth of a cent differential on refined sugar, without any other change in the sugar schedule. The commission will be Carroll over, the resolution for an investigation of the Chicago and the White Mountains, the statute under which the commission is appointed directs that the Commissioner of Labor shall be one of the commissioners, and that another shall be appointed from the State in which the controversy arose. Senator Smith declared that such a change meant the shutting down of the refineries in this State, the throwing of thousands of men out of employment and a general disturbance of industrial conditions such as he could not contemplate with composure and would not accept. The Louisiana Senators indicated a willingness, as they had done yesterday, to accept the substitution of a 45 per cent duty on refined sugar, but they would not accept the Vilas proposition to recede from the differential, even though the ad valorem should be increased to 45 per cent, or any other sum within reason.

should be continued for the present. The suggestion was not received with favor. Senators Hill, Murphy and Irbey were again absent from the caucus to-day. It was understood that an attempt will be made in the Senate to-morrow to carry into effect the suggestion of the caucus to the effect that the bill sent back to conference. There may be some delay caused by more speech making than the Senate members of the conference committee are of the opinion that the conference will be reopened by Friday morning.

A new phase was given to the discussion on to-day's session of the Senate caucus by a proposition that the Senate should admit coal free from such countries as made a reciprocity agreement with the United States. This brought out considerable comment favorable to the proposition. It was pointed out that this would give the Canadian coal free access to this country, and that the Senate members of the conference committee are of the opinion that the conference will be reopened by Friday morning.

Representative McMillin, one of the Democratic conferees on the tariff bill, called at the White House to-day. He was accompanied by the Chief Justice of Tennessee, and the two gentlemen discussed the tariff situation with the President. The tariff situation was informally discussed. Later in the day Mr. McMillin called on the President's conferees to discuss the tariff situation with the President.

MR. QUAY GIVES NOTICE.

He Favours Receding from All Previous Position on Sugar Schedule.
WASHINGTON, July 25.—Mr. Quay gave notice of three amendments he should offer to the pending motion before the Senate. These motions will still further complicate the sugar situation. Two of his amendments will be to instruct the conferees to recede from the entire sugar schedule, and the third to recede from that portion of the schedule which provides for the one-eighth of a cent per pound differential on refined sugar. His motion will take the precedence of any motion instructing the conferees to recede upon the amendments. All motions looking to bringing the two houses together are first in order. Parliamentarians say that amendments to motions to recede or to instruct the conferees to insist on amendments are not in order, but will have to come up as separate propositions.

Mr. Vest, in the absence of Mr. Voorhees, chairman of the finance committee, who is ill, called up the conference report on the tariff bill. He immediately made the speech he began yesterday afternoon. He spoke principally as to the interests of the duty on sugar. He plunged into the discussion of the complicated methods of refining sugar in Louisiana, which sugar went into competition with the sugar refined by the trust. He contended that the bounty provision of the McKinley law prevented the extension of the duty on sugar by the producers. He made an elaborate argument to prove the virtue of the bounty provision of the McKinley law, and the harm to Louisiana of a bill relating to the Arkansas, Texas & Mexican Railway Company right of way through the Indian Territory. At 1:35 Mr. Caffery took the floor and resumed the speech he began yesterday afternoon.

WOMEN IN THE MOR.

Detectives Arresting Those Who Tarred and Feathered Tarsney.

COLORADO CITY, Col., July 25.—Detectives to-day arrested John Mullins, Herman Rubake and C. C. McKimble, at Colorado Springs, for complicity in tarring and feathering Adjutant-General Tarsney. They were held in bonds of \$5,000. Before bonds could be furnished, Sheriff Bowers, of Colorado Springs, demanded custody of the prisoners and took them to the county jail. Sheriff Bowers asked by what right the Denver detectives had made arrests in El Paso county and was informed that they had been specially authorized by Governor Waite to act in the Tarsney matter. Legal complications may grow out of the matter. The Denver detectives swore out a number of warrants, just how many is not known. It is claimed that of the number for whom warrants have been issued, two are women, and of the remainder, two are visiting in Iowa or Illinois, and will be brought back to the city. There will be a trial at the next convention, in 1896, at Louisville, Ky., the vote being 340 for Louisville to 41 for San Francisco, and to hold the athletic tournament in 1897 at St. Louis. It was also voted to have the executive board in St. Louis during the next two years.

THE TURNER CONVENTION.

DENVER, Col., July 25.—The convention of the North American Turnerbund to-day adopted protests against legislation that would keep out desirable immigrants and against introducing religious subjects in the public schools. Resolutions were adopted favoring government ownership of railroads, telegraph lines, gas and water works, and the repeal of the next convention, in 1896, at Louisville, Ky., the vote being 340 for Louisville to 41 for San Francisco, and to hold the athletic tournament in 1897 at St. Louis. It was also voted to have the executive board in St. Louis during the next two years.

A VETERAN EDITOR.

Man Who Published First Photographers' Paper in America.

ST. LOUIS, July 25.—At the opening of to-day's session of the Photographers' Association of America, the aged Henry Hunt Schelling, who is seventy-seven years old and who published in St. Louis the first photographic journal ever published in America, the St. Louis and Canadian Photographers' Journal, was presented to the convention and made an honorary member for life. After the reading of several papers, the association at noon adjourned to meet Friday morning to elect officers. The slate prepared by the nominating committee is as follows: J. S. Schneider, president; R. P. Bellsmith first vice president; George Stoessel second vice president; J. E. Stueck treasurer; V. McDonald secretary, and one local member. The place of holding the next meeting will also be determined at the final session. The Eastern members are united in support of Philadelphia.

BEARDSLEY MILLIONS

A WIDOW SHOWS UP WITH A CLAIM ON THE BIG ESTATE.

Beardsley Died Aged Eighty-Four and the Woman Says Her Baby Is His Child.

AUBURN, N. Y., July 25.—Nelson Beardsley, president of two local banks, and director in all of the others; president of the Oswego starch factory, and many times a millionaire, died on Jan. 15 last. Simultaneously a widow named Mrs. Laura A. Armstrong, living in a less pretentious house in a quiet street, a mile away, assumed the widow's weeds and gave evidence of the most poignant grief. She sent floral tributes to the dead millionaire's home, but instead of being placed on his coffin they were consigned to the ash heap. She made frequent visits to his grave in Fort Hill Cemetery, and attracted much attention by the publicity she gave to her acts. She personally visited the tradespeople of the city and announced that she was the widow of Nelson Beardsley, ordering that thereafter all bills should be made out in the name of Mrs. Beardsley. Portions of his estate were given to his numerous relations, but the bulk of it was left in trust for his six daughters. Nothing had been said in his will of a wife.

A bomb was exploded to-day, which gives color to the woman's story that she intends to fight for a share of the millions. Through her attorneys she has commenced proceedings to establish her right of dower as the lawfully married wife of Nelson Beardsley in his lifetime, as she lived with him until the time of his death, and claiming one child, Nelson D. Beardsley, survives as the issue of such marriage. Mr. Beardsley was eighty-four years old at the time of his death. The infant who bears his name in these proceedings is two years old. Action was also commenced to recover on two notes alleged to have been given by Mr. Beardsley in 1891 and 1892. The first note is for \$10,000, and is now in the widow's possession. The other is for \$18,000, which the says was deposited in her private apartment in the safe in Mr. Beardsley's bank. That note, she declares, is missing from the box, and she has commenced proceedings to recover the value of the two notes and interest. Her attorneys say they intend to have Mr. Beardsley in trust for her infant child, and which are also said to be missing from her private apartment in the bank vault. The public announcement of these facts created a sensation to-day which has never been equaled in the community.

HONEST DICK TATE FOUND.

The Kentucky Defaulters Said to Be Dying in Japan.

LEXINGTON, Ky., July 25.—Honest Dick Tate, the defaulting State Treasurer of Kentucky, has been located. For years his family had believed him dead, and since his disappearance his wife has been Ensign Rodman, of the United States navy, who has been on a visit in Kentucky, says that while in Japan, several months ago with his ship, he met Tate and dined with him. Rodman has known Tate all his life. He was adverse to being known by his real name, but he was healthy, and cannot live long. His bondsman have paid the debt on his behalf, and it is believed an effort will be made to induce him to return and tell who his partners in crime.

YOUNGSTOWN STRIKE.

The Company Resumes Operations with Nonunion Men.

YOUNGSTOWN, O., July 25.—After a tie-up lasting several weeks, owing to a strike of its employees, the Youngstown Streetcar Company resumed operations to-day with nonunion men. Trouble was anticipated, and while nothing serious has occurred so far, an outbreak is feared at any time. Ties were piled on the track at the western terminus of the road early in the day by the strikers and cars were stoned in the eastern part of the city, but no one was injured.

COXEY'S FAREWELL.

Leaves His Army at Hyattsville in a Starving Condition.

BAITIMORE, July 25.—Coxey's army camp at Hyattsville is gradually dispersing. The men have been on the point of starvation. Coxey, in an address to them to-day, told them that about the only thing for them to do now was to go to Washington and beg, get arrested and have the District to support them. Coxey and his son left for home to-day.

TRAGEDY IN THE GARDEN.

Father and Sister Shot by a Boy Who Took Them for Thieves.

BIRMINGHAM, Ala., July 27.—John Collins, a market gardener, last night thought he heard thieves in his garden and started to investigate. He was followed by his daughter Maggie. Mrs. Collins heard the two and supposed them thieves. Arousing her son William, he got his gun and shot both father and daughter. The former is dead and the latter dying.

Bundes Kreigerfest.

PITTSBURGH, July 25.—The tenth annual reunion of the Bundes Kreigerfest will be held in Pittsburgh Aug. 18. The celebration is a reunion of ex-members of the German army, and is somewhat similar in its nature to our national encampments of the G. A. R. There will be a parade here from all parts of the United States, and it is believed attendance will number over six thousand.

Judge Got Recovering.

WHEELING, W. Va., July 25.—Judge Nathan Gott, of the United States District Court of Appeals, whose serious illness was reported yesterday, was now considered out of danger. On Monday evening he was taken ill with a severe attack of peritonitis, and his condition yesterday was somewhat alarming to his family. But little uneasiness is now felt.

FIFER IN THE CHAIR

Illinois Convention Lays Over Senatorial Nomination.

State Ticket Nominated at Springfield with Henry Walif, of Chicago, for Treasurer of State.

ALTGELD IS A DISGRACE

Terrible Scoring of the Notorious Socialist Governor.

Conventions at Des Moines and Milwaukee Adjourn Without Reaching Nominations.

SPRINGFIELD, Ill., July 25.—When the Republican State convention was called to order to-day it was asserted, with more than usual positiveness, that there would be no nomination for Senator, and such proved the case before night, for the subject was laid on the table by an overwhelming vote. Ex-Congressman Mason was nevertheless as confident as ever, declaring that he would not give up the fight under any circumstances. Mr. Fuller, of Boone, in a speech of some length, proposed that the convention proceed to declare its choice for a United States Senator to succeed Shelby M. Cullom, but this immediately caused a great uproar. Finally Alderman Noble, of Cook county, secured the floor and made a speech opposing the idea of a nomination by the convention. He said he believed it injudicious for the convention to name a candidate. "The different senatorial districts in Illinois," said he, "should select men for the Legislature in whom they could place confidence for the selection of a United States Senator. I believe the selection of a candidate here would take out of the ranks of the Republican party good workers. We are not placed in the position that the Democratic party was in, as it had no recognized Democrat whom the convention could endorse for the United States Senate and was forced to go outside and take up a recognized name, and put him up for that honorable position. Their action should be no precedent for this convention."

The speaker continued at length amid the greatest confusion. There were repeated attempts to raise points of order, but the chairman was unable to hear most of them or to check the uproar. Ex-Governor Fifer's voice failed him and he retired from the chair, being succeeded by ex-Governor Ray. A number of other speeches on the senatorial question were made, and the turmoil continued a long time, but finally Chairman Ray's peremptory rulings quieted matters down, and a motion to lay the senatorial matter on the table was carried by a vote of 1,199 to 315.

J. R. MANN'S SPEECH.

The convention assembled in the hall of the House of Representatives. The decorations were limited to a few United States flags and portraits of celebrated Republican leaders. The convention was called to order at 12:15 p. m. by James H. Clark, of Mattoon, chairman of the State central committee, who announced Rev. I. C. Adlam, of Danvers, as chaplain. After the prayer the call of the convention was read, and James R. Mann, of Chicago, was named temporary chairman. Mr. Mann addressed the convention, in part, as follows: "In our proud State Democratic success has made the people bow their heads in shame. Two years ago the Democrats sold their nomination for Governor to a rich demagogue, who lacked every virtue of orderly government, who has made every State appointment with a view to his own personal aggrandizement, who has encouraged anarchy, abetted disorder, shielded crime, pardoned criminals, looked smilingly upon mobs and riots, rebuked the courts, scandalized the various State charitable institutions and parties, and who has in respect brought dishonor and discredit upon the fair fame and name of our own glorious State.
